

DIRECT DEPOSIT FORM

SoundExchange believes in doing our part to protect the environment. In 2011, we suspended our practice of printing and e-mailing paper statements to our constituents and began sending eco-friendly e-mails with the same information and detail.

Additionally, all of our constituents with U.S. bank accounts are encouraged to sign up for Electronic Transfer of Funds to reduce the printing of thousands of paper checks during each distribution. **Please help! Take the 3 Steps to GO Green!**

Please fill out the boxes below and then return this form to us by either e-mail, fax or mail.
