NOTICE: Services that have filed a Notice of Use of Sound Recordings under Statutory License with the Copyright Office are obligated to comply with all requirements of the statutory licenses under Sections 112 and 114 of the Copyright Act. It is the responsibility of each such service to ensure that it is in full compliance with the requirements of the statutory licenses under 17 U.S.C. §§ 112 & 114. Nor does SoundExchange verify that such services are in full compliance with all applicable requirements of the two statutory licenses. Accordingly, SoundExchange’s acceptance of services’ payment does not express or implies any acknowledgment that a service is in compliance with the requirements of the statutory licenses or otherwise eligible to rely on the statutory licenses. SoundExchange, its members and other copyright owners reserve all their rights to take enforcement action against a service that is not in compliance with those requirements, regardless of any royalty payments such service may have made to SoundExchange.
